

National Child and Youth Mental Health Day

Join us in wearing this green ribbon on May 7th to bring awareness to child and youth mental health across Canada.

May 7th

WHY GREEN?

In the 1800s, the colour green was used to brand people who were labeled “insane”. The children’s mental health community decided to continue using the colour green, but with a completely different focus. **Green signifies new life, new growth and new beginnings.** Therefore, we wear green ribbons to raise public awareness and support the mental health of all children, youth and their families.
